

Dear Partners, Dear All,

Our newsletter is intended to reach all Business Aviation companies having activities in winter time at Chambéry Airport.

This year again, Chambéry airport is expecting significant traffic peaks on Saturdays and on Sundays due scheduled and charter flights.

Nevertheless, several changes have been realised to improve our service and to increase our capacity.

You will find hereafter practical information and useful news

Please feel free to get in touch with us, should you need any assistance or contact details.

PROCEDURE

All private and commercial aircrafts must send a handling request during the winter (AIP SUP) in order to ensure safe operations during this busy period

The handling assistance is mandatory

The unique contact is the following email address:

handling@chambery-airport.com

PPR's will be allocated if your request can be confirmed

We remind our Partners that we will not accept any faxes or phone calls for handling requests in order to centralise the information and give you a prompt answer.

The following telephone number can be used for general information only:

+33 (0) 4 79 54 49 52

What's going next? A new dedicated web-site will be tested during the season with few operators before extending it widely

PARKING

There is no hangar available

Night stops: Everything will be done to accept your aircrafts for several days.

Nevertheless, there are still limited stands available for aircrafts needing to overnight between Friday evening and Sunday morning

❁ OPERATIONS

VHF communication: To speed our handling process, could all aircrafts and helicopters call our GA Operations on **130.500 Mhz**, call sign “Chambery Handling”?

Customs/VAT Claim

Ideally, could you please email us when customs are needed for VAT claims?
(Customs are not always available in LFLB)

Crew requirements for LFLB

Please send your requests to: ta.dac-ce@aviation-civile.gouv.fr

The French Civil Aviation will answer your questions and help you to complete your technical files

Helicopter transfers

Customers cannot transfer from one aircraft/helicopter to another without going through customs.

Our FBO works closely with French Customs to help your customers and to speed process as much as possible

Our new SITA address: **CMFOOXH**

❁ **HANDLING CHARGES** : You will find attached the revised handling charges

PLEASE PAY ATTENTION to the cancellation policy and the Saturday handling charges surcharges

❁ **VAT** : it will apply to all airlines except for the ones which can provide written proof of an international traffic superior to 80% of their activity (Ref Bulletin Officiel des Impôts CGI, art.257-262-291 -ann. IV art.45)

We would also be pleased to receive your newsletters,
if you have any to remain fully updated.

If you have any comments or questions, please feel free to contact us.

The whole LFLB team would like to thank you for your precious collaboration.

We wish you all a great winter season!
