## **NEW ROUTES FROM GRENOBLE AND CHAMBERY** **12 routes and 8 airlines**

### **Grenoble-Isère airport**

- From 23<sup>rd</sup> September **Ryanair** launches a new daily route from **London-Stansted** using Boeing 737-800 aircraft. Flights are now on sale from [www.ryanair.com](http://www.ryanair.com)
- From 5<sup>th</sup> November, **Centralwings** launches a new weekly route from **Warsaw**, on Saturdays using Boeing 737-300. Flights are now on sale from [www.centralwings.com](http://www.centralwings.com)
- From December, **Flynordic** launches a new weekly route from **Stockholm** using MD80. Flights on sale in August from [www.flynordic.com](http://www.flynordic.com)
- From 10<sup>th</sup> December, **British Airways** launches a new winter route from **London-Gatwick**. Flights shall operate on Mondays, Thursdays, Fridays, Saturdays and Sundays using Boeing 737-500. Flights are now on sale from [www.britishairways.com](http://www.britishairways.com)
- The **Tour Operator Marmara** (First Choice) carries on its schedule this winter : weekly flights on **Marrakech** operated by Atlas Blue using Boeing 737-400 and **Monastir** operated by Nouvel Air using Airbus A320.

Note to editors :

**easyJet** currently operates a daily route from **London-Luton** using Boeing 737-300

The news further endorse the popularity of Grenoble-Isère airport and the advantages which it offers our customers – fast and efficient terminal processing, proximity to the ski resorts and ease of access to and from the city centre.

## Chambéry-Savoie airport

- From 17<sup>th</sup> September, **Jet2.com** launches two new routes, **Manchester** and **Leeds/Bradford**. Flights shall operate on Mondays, Thursdays, Fridays, Saturdays and Sundays using Boeing 737-300 aircraft. Flights are now on sale from [www.jet2.com](http://www.jet2.com)
- **Flybe** launches two new routes from **Exeter** and **Norwich** on 17<sup>th</sup> December using B737-300 and BAE 146-200. Flybe has re-introduced services from **Birmingham** on 18<sup>th</sup> December and **Southampton** on 15<sup>th</sup> December. Flights shall operate 4 times weekly flights using BAE 146-300 and BAE 146-200. Flights are now on sale from [www.flybe.com](http://www.flybe.com)
- **Transavia** has re-introduced weekly service from **Amsterdam** and has added 2 new weekly flights start December.

The proximity of the airport to the ski resorts, the friendly and compact terminal and the user-friendly facilities throughout, add to benefits available at Chambéry-Savoie airport.
